

Northpoint Mid Valley City

Description:

Address: Medan Syed Putra Utara, Mid Valley City
Located at the north of Mid Valley City, "the heart" of the Klang Valley, Northpoint is designed within the SOHO concept (Small office/ Home office). The combination of residential and commercial in a building offers flexibility of working and living in the same space. There are 204 office suites with glass entrance door and windows to provide natural light and create a pleasant work environment. Sizes ranges from 1,400 to 1,900 square feet. Each suite is with pantry, restrooms and individually controlled air-conditioning system. It is served with major roads and railway lines, with the pedestrian bridge linking Northpoint to Mid Valley Megamall, travel conveniences and with limitless choices of leisure and entertainment services.
